

Encouragement Tour

ET in July

7 boys and 8 girls joined this time. They were of the Boy's Brigade of Sham Shui Po Alliance Church. One of them worried about the sanitary conditions in the village. After staying for two days and one night, his attitude changed. He enjoyed talking to the villagers and promised to join ET again in the future. We are glad to see his attitude changed after he served.

ET in September

11 man and 13 ladies joined ET in September. We celebrated the mid-Autumn festival with the villagers. We did have a special experience this time. After we moved away the items in the kitchen for cleaning up and painting, many of us started scratching our bodies because we all felt very itchy. Red spots and rash appeared on faces and limbs. Application of ointment to skin or taking a shower could not ease the itchiness. Since one of the participants was not a believer, we were afraid that this experience would hinder her from serving others. The good news is that she has accepted our Lord and attends church services. Praise the Lord for His mercy and grace.

ET in August

A group of 15 young people (7 men and 8 women) of Church of Christ in China Kei To Tai Po Church went this time. Some of them joined ET for the second time. One of them joined ET again in September. We pray that they will be blessed as they bless others.

Mission Awareness Tour (MAT)

Teachers and students of Malone University of Ohio of USA have been joining MAT for the past few years. A group of 12 people came again in May 2012. They were entertained by another organization for the time in Hong Kong. MMMHK was in charge of their visit to China. They visited centers of International China Concern and Butterfly Home. They learned more about the ministries of these two organizations and had good time with children. After these visits, they went to Zhang Jia Jie for sightseeing. The wonderful creation of God marveled them.

We can hardly predict the effect of MAT. God often surprises us. One of the members planned to stay at Chang Sha, Hunan, for a longer time to serve the children there. May God's will be done.

Light from the Word, insight for a living

Corinthian 3:10

According to grace of God given to me like a skilled master builder I laid a foundation, and someone else is building upon it.

Did you participate in the build-up projects of Christ in past year?
